

Product Presentation

ABOUT ME

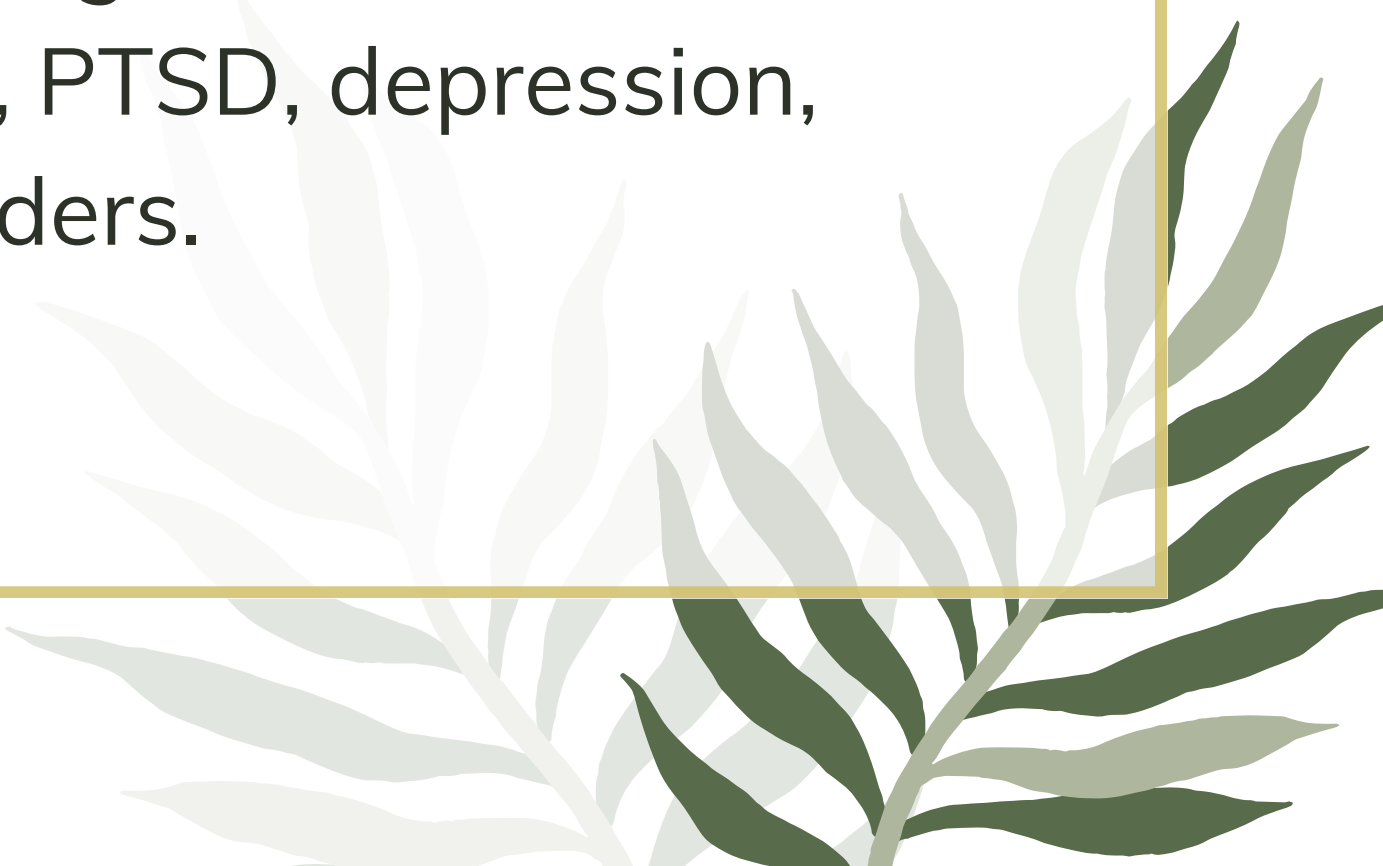

Your dedicated partner on your journey to a healthier, happier you. Allow me to share a bit about my passion for nutrition and how I can assist you in achieving your wellness goals. This journey started for me at the age of 60 when I opted to get my PhD while working full-time. These products kept me both mentally and physically stimulated.

VISION

“CMoore Health” (Alternative Health) is the stepping stone for opening a Botanical Healing Lounge that will offer a comprehensive holistic approach to treating the needs of individuals struggling with addiction, ADHD, PTSD, depression, and other mental health disorders.

MISSION

To inspire transformation and change in the lives of many, guiding them towards achieving their long-term goals of spiritual, mental, and physical balance - using wisdom and scientifically proven natural products.

EDUCATION

PhD Health Sciences, Liberty University

Anticipated graduation date, May 2025. Exploring advanced topics in risk management, evidence-based practice, cultural competency, and research methods.

Masters, Public Global Health

Obtained degree to perform research, analysis and developmental skills needed to assess the health-related status of the world.

Certified, Essential Oils, Santa Cruz Botanicals

The Center provides science based education on medicinal plants - how to harness their essence for restorative and therapeutic uses.
